

Earth Day every day!

*Know your Plastics*

Avoid purchasing items made with the plastics listed on these two pages. They are less sustainable and therefore have a more harmful impact

**Miscellaneous**

- Curbside (same as garbage pick up)
- Drop-off where?
- What are your recycling options?

Not available in my area. Should avoid purchasing items produced with this material.

how2recycle.info

**Plastic Bags and Film**

Despite popular belief plastic bags and film can actually be recycled at designated community drop off centers.

- Curbside (same as garbage pick up)
- Drop-off where?
- What are your recycling options?

Not available in my area. Should avoid purchasing items produced with this material.

step 2: Fold in half so this is in the crease

**Glass**

Glass products are also infinitely recyclable and bottles can be returned for a refund in the same location as cans in participating states.

**Glass Products**

- Curbside (same as garbage pick up)
- Drop-off where?
- What are your recycling options?

Not available in my area. Should avoid purchasing items produced with this material.

**Polystyrene**

- Curbside (same as garbage pick up)
- Drop-off where?
- What are your recycling options?

Not available in my area. Should avoid purchasing items produced with this material.

*What about paper?*

Many fiber based products are made with some amount of post-consumer content. Look for labels like this to check if something is produced with recycled fibers.

**Paper and Fiber Board**

- Curbside (same as garbage pick up)
- Drop-off where?

Not available in my area. Should avoid purchasing items produced with this material.

**Cartons**

- Curbside (same as garbage pick up)
- Drop-off where?
- Not available in my area. Should avoid purchasing items produced with this material.

There is a large range of accessibility when it comes to recycling coated paper products classified as cartons. These are paper products that are typically printed on and have a plastic sheen to them. They usually used to package liquids.
